ACTION PLAN

2020-2030

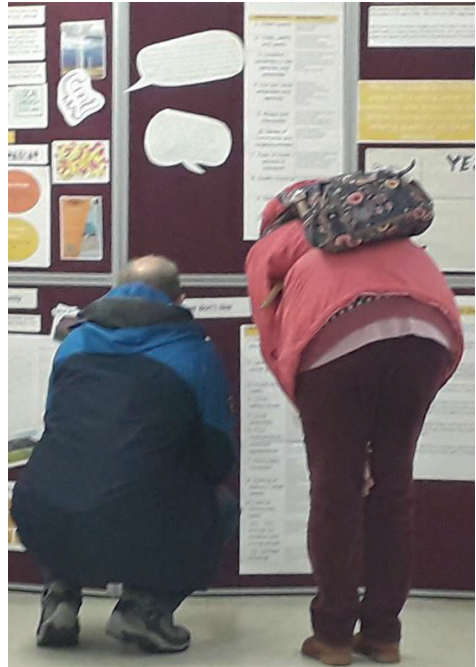

WHO WE ARE

We are a group of local people looking to set up Murieston Community Development Trust. This will be a community owned charitable trust, led by local people, for local people.

Our aim is to work in partnership to develop a range of projects and initiatives to make Murieston a better place for local residents.

WHAT WE DID

We asked you, the local community, how we could make the area better.

Through a community survey,

focus groups, events and one to one conversations, we heard from over a 1,000 people. From this, we have developed a 10 year action plan.

WHAT YOU SAID

You rated Murieston as a great place to live with the countryside on our doorsteps and the convenience of town amenities close by.

You told us you wanted Murieston to be protected from over development, our green spaces to be looked after and better facilities for socialising.

WHAT THIS LED TO
